[REDACTED]

Dear Mr. McKenney:

SUBJECT: U.S. DEPARTMENT OF ENERGY (DOE) FREEDOM OF INFORMATION ACT
(FOIA) REQUEST NO. #CH-2010-01015-F

I am the authorizing official responsible for making the determination required by Section 1004.5(b) of DOE regulations found at 10 CFR Part 1004, implementing the FOIA, 5 U.S.C. 552. This letter is in final response to your subject FOIA request.

In your FOIA request you were seeking "a copy of [your] father's exposure records while employed by ARB, Dupont at both Argonne National Laboratories and Savannah River Site between 2/51 – 1/81."

This response pertains only to those records located at Argonne National Laboratory. The FOIA office cognizant over records at the Savannah River Site will respond to you directly relative to those records.

Be advised that we asked UChicago Argonne, LLC (UCA), the DOE contractor that operates Argonne National Laboratory, to search for records responsive to your request. UCA conducted a search and located the enclosed responsive records. All enclosed records are being provided in their entirety, and accordingly, this response represents our full release of records responsive to your request.

You are categorized as an "Other" requester, and as such related costs for search and duplication of records would normally be applicable under FOIA. However, fees do not meet the threshold of \$15.00 for charging fees under FOIA, so therefore, there are no fees associated with your request at this time.
