Hello Mr. Nelson,

Your FOIA request seeking a copy of the report entitled "Feasibility/treatability studies for removal of heavy metals from training range soils at the Grafenwoehr Training Area, Germany" has been referred to this office for processing, and has been controlled FOIA Request #CH-2010-01384-F. Be advised that we have determined that the report you are requesting is publicly available at the following Energy Citations Database link:

http://www.osti.gov/energycitations/product.biblio.jsp?query_id=2&page=0&osti_id=93682

This represents our full release and final response to your subject FOIA request. Because the report is publicly available, there are no fees associated with your request at this time.

If you have any questions, please reply to this e-mail or call me at my phone number below.
